

Construction of Hostel Building for Urdu Training College, Bijapur.

157. S. H. S. BAKSHI (Bijapur).— Will the Minister of State for Primary and Secondary Education be pleased to state.—

(a) whether it is a fact that the Plans and Estimates in respect of construction of hostel building of Government Urdu Training College at Bijapur have been submitted to the authorities concerned;

(b) If so, when the construction work will be taken up?

SMT. NAGAMMA C. KESHAHA MURTHY (Minister of State for Primary and Secondary Education).—

(a) Yes.

(b) In view of the limited allocations available for construction it may not be possible to take up the construction at present.

SRI S. H. S. BAKSHI.—The Hon. Minister says that the Plan and Estimates for the construction of hostel for Urdu Training College are already received and she also says that in view of the limited allocations available, it may not be possible to take it up. When the budget is already sanctioned for the hostel and since that is the only Urdu Training College and students from other districts will find it difficult to stay there, the hostel is a necessity and urgent, I request the Hon. Minister to kindly let me know when she is going to construct this hostel?

SMT. NAGAMMA KESHAVAMURTHY.—There was a proposal for Rs. 4.75 lakhs to construct this hostel which was approved and again revised to Rs. 9 lakhs. Due to the financial implications, the construction cannot be taken up during the current year.

SRI S. H. S. BAKSHI.—As the training college is shifted to the new building, there are so many questions about compound, staff etc. As it is, it is quite away from the City and as the sanctioned budget is already there, I do not know why the Hon. Minister is not taking interest in constructing this hostel.
